

important reminder for maui motorhomes Australia

Whilst “liability cover” insurance can be purchased from a third party* to protect you from cost of any liability in case of damage, it does not directly release you from the liability associated with hiring a **maui** vehicle.

It is a mandatory requirement for you to accept liability directly with **maui** by way of a security deposit to cover the standard liability applicable to the **maui** vehicle hired (see table overleaf).

For motorhome hire, please note that the AU\$7,500 security deposit is **debited** from your credit card upon collection of the vehicle. In the case of vehicle or property damage, part or all of the security deposit will be retained, however you can seek reimbursement from the third party* from whom you purchased the liability cover insurance.

maui offers alternative protection options as follows:

All vehicles are insured for the damage to the vehicle or to the property of a third party. The hirer is responsible for the first AU\$7,500 for motorhomes (“the liability”) for the cost of damage to third party property or rented vehicle. This liability can be reduced by the purchase of one of our liability reduction options (see overleaf).

* Third party refers to any insurance agent providing travel insurance cover which can include liability cover for rental vehicles.

standard liability

Every rental is automatically insured for damage to the vehicle and to the property of a third party, with a liability of AU\$7,500 for motorhomes, which applies to each or any incident and not for the entire length of rental. This liability will be **debited** from the hirer's credit card when the vehicle is collected, and then refunded at time of check-in, provided the vehicle is returned undamaged.

Please note: Where nil excess is present you are covered for single vehicle damage (except single vehicle rollover), third party accident and cost for repair/replacement of unlimited windscreen and tyres. In Australia it is not compulsory for drivers to have private insurance on their own vehicles. Any breach of the exclusions will render all cover void. Valid from 01 April 2011 - 31 March 2012. MAU043-11/10-AU.
